Introduction

- **In this chapter we**
  - describe the different forms of behaviors that employees exhibit at work
  - examine many of the ways that people differ from one another
  - look at some important models and concepts of employee motivation, as well as some strategies and techniques used by organizations to improve employee motivation

Pearson

Forms of Employee Behavior

Employee Behavior

- the pattern of actions by the members of an organization that directly or indirectly influences the organization's effectiveness

Performance Behaviors

- the total set of work-related behaviors that the organization expects employees to display

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Organizational Citizenship

Organizational Citizenship

- positive behaviors that do not directly contribute to the bottom line

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Counterproductive Behaviors

Counterproductive Behaviors

– behaviors that detract from organizational performance

- **Absenteeism**
  – when an employee does not show up for work
- **Turnover**
  – annual percentage of an organization's workforce that leaves and must be replaced

Pearson

Personality at Work

Individual Differences

- personal attributes that vary from one person to another

Personality

- the relatively stable set of psychological attributes that distinguish one person from another

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

The "Big Five" Personality Traits (1 of 3)

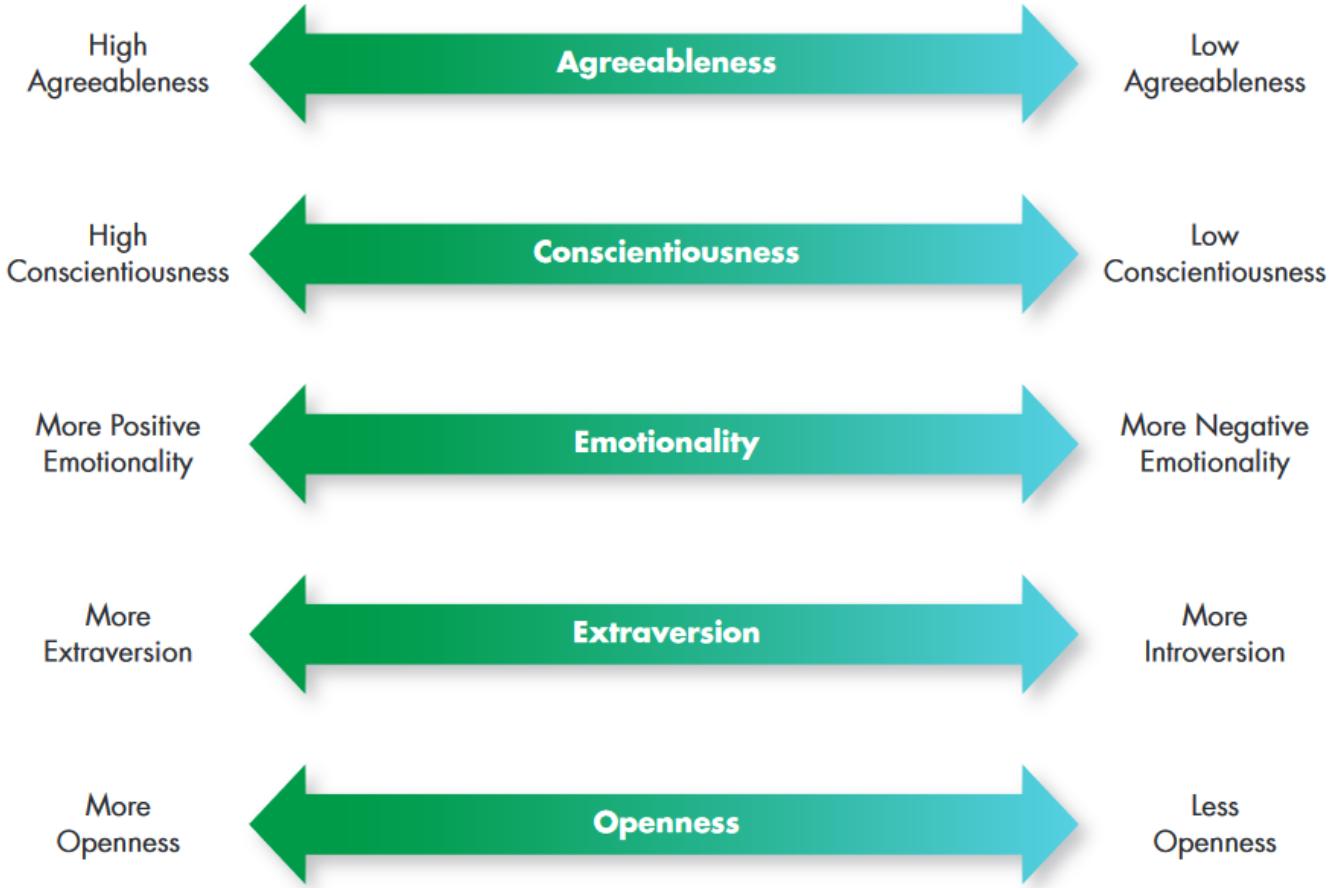

FIGURE 8.1 The "Big Five" Personality Traits

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

The "Big Five" Personality Traits (2 of 3)

Agreeableness

- a person's ability to get along with others

Conscientiousness

- a reflection of the number of things a person tries to accomplish

Emotionality

- the degree to which people tend to be positive or negative in their outlook and behaviors toward others

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

The "Big Five" Personality Traits (3 of 3)

Extraversion

- a person's comfort level with relationships

Openness

- reflects how open or rigid a person is in terms of his or her beliefs

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Myers-Briggs Framework

Myers-Briggs Type Indicator (MBTI)

- a popular questionnaire that some organizations use to assess personality types

Four General Dimensions

- Extraversion vs. Introversion
- Sensing vs. Intuition
- Thinking vs. Feeling
- Judging vs. Perceiving

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Emotional Intelligence (1 of 3)

Emotional Intelligence (Emotional Quotient, EQ)

- the extent to which people are self-aware, can manage their emotions, can motivate themselves, express empathy for others, and possess social skills

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Emotional Intelligence (2 of 3)

Self-awareness

- a person's capacity for being aware of how they are feeling

Managing emotions

- a person's capacities to balance anxiety, fear, and anger so that they do not overly interfere with getting things accomplished

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Emotional Intelligence (3 of 3)

Motivating oneself

- a person's ability to remain optimistic and to continue striving in the face of setbacks, barriers, and failure

Empathy

- a person's ability to understand how others are feeling even without being explicitly told

Social skills

- a person's ability to get along with others and to establish positive relationships

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Other Personality Traits at Work (1 of 3)

Locus of Control

- the extent to which people believe that their behavior has a real effect on what happens to them

Self-Efficacy

- a person's belief about his or her capabilities to perform a task

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Other Personality Traits at Work (2 of 3)

Authoritarianism

- the extent to which a person believes that power and status differences are appropriate within hierarchical social systems such as organizations

Machiavellianism

- used to describe behavior directed at gaining power and controlling the behavior of others

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Other Personality Traits at Work (3 of 3)

Self-Esteem

- the extent to which a person believes that he or she is a worthwhile and deserving individual

Risk Propensity

- the degree to which a person is willing to take chances and make risky decisions

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Attitudes at Work

Attitudes

- a person's beliefs and feelings about specific ideas, situations, or people

Job Satisfaction

- degree of enjoyment that people derive from performing their jobs

Organizational Commitment

- an individual's identification with the organization and its mission

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Attitude Structure

Cognition

- the knowledge a person presumes to have about something

Affect

- a person's feelings toward something

Intention

- part of an attitude that guides a person's behavior

Cognitive Dissonance

- when two sets of cognitions or perceptions are contradictory or incongruent

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Matching People and Jobs

Psychological Contract

- set of expectations held by an employee concerning what he or she will contribute to an organization (referred to as contributions) and what the organization will in return provide the employee (referred to as inducements)

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

The Psychological Contract

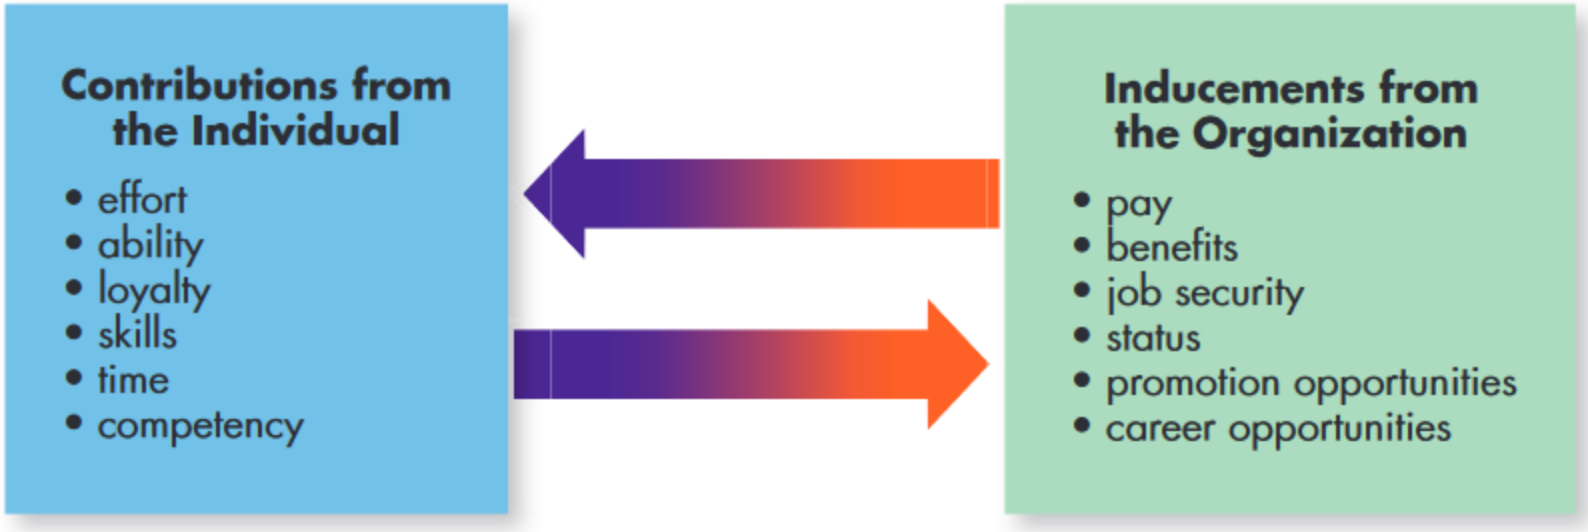

FIGURE 8.2 The Psychological Contract

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

The Person-Job Fit

Person-Job Fit

- the extent to which a person's contributions and the organization's inducements match one another

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Basic Motivation Concepts and Theories

- **Motivation**
  - the set of forces that cause people to behave in certain ways
- **Classical Theory of Motivation**
  - theory holding that workers are motivated solely by money

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Early Behavioral Theory

Hawthorne Effect

- tendency for productivity to increase when workers believe they are receiving special attention from management

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Human Resources Model: Theories X and Y

- **Theory X**
  - theory of motivation holding that people are naturally lazy and uncooperative
- **Theory Y**
  - theory of motivation holding that people are naturally energetic, growth-oriented, self-motivated, and interested in being productive

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Theory X and Theory Y

Table 8.1 Theory X and Theory Y

Theory X	Theory Y
People are lazy.	People are energetic.
People lack ambition and dislike responsibility.	People are ambitious and seek responsibility.
People are self-centered.	People can be selfless.
People resist change.	People want to contribute to business growth and change.
People are gullible and not bright.	People are intelligent.

Pearson

Two-Factor Theory

Two-Factor Theory

- theory of motivation holding that job satisfaction depends on two factors, hygiene and motivation

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Two-Factor Theory of Motivation

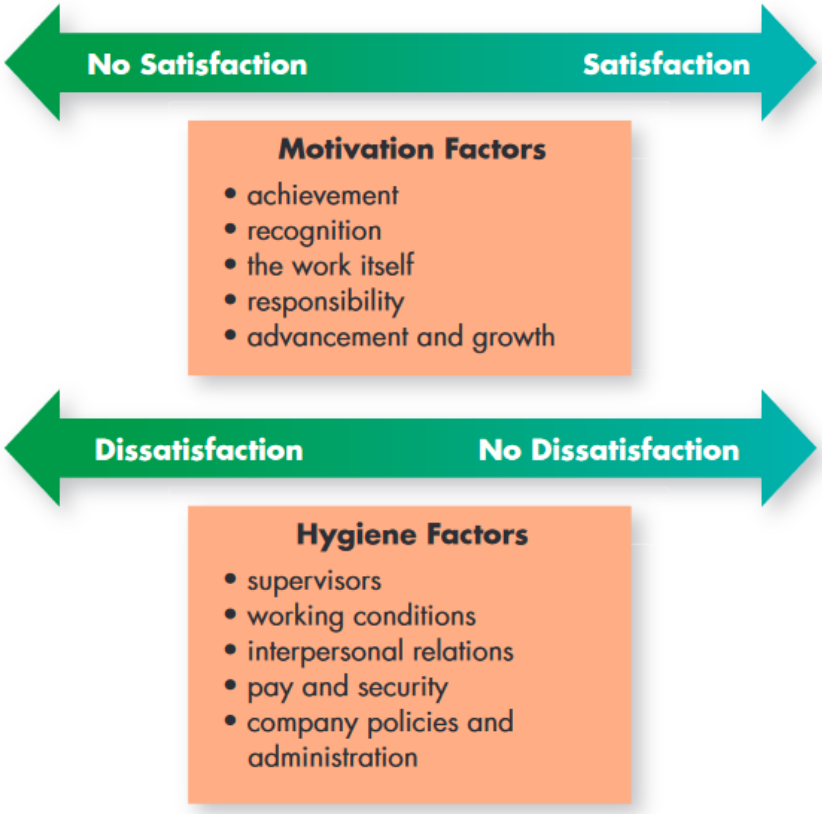

FIGURE 8.4 Two-Factor Theory of Motivation

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Other Important Needs

Need for Achievement

- an individual's desire to accomplish a goal or task as effectively as possible

Need for Affiliation

- an individual's desire for human companionship

Need for Power

- the desire to control one's environment, including financial, material, informational, and human resources

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Contemporary Motivation Theory (1 of 2)

Expectancy Theory

- theory of motivation holding that people are motivated to work toward rewards that they want and that they believe they have a reasonable chance of obtaining

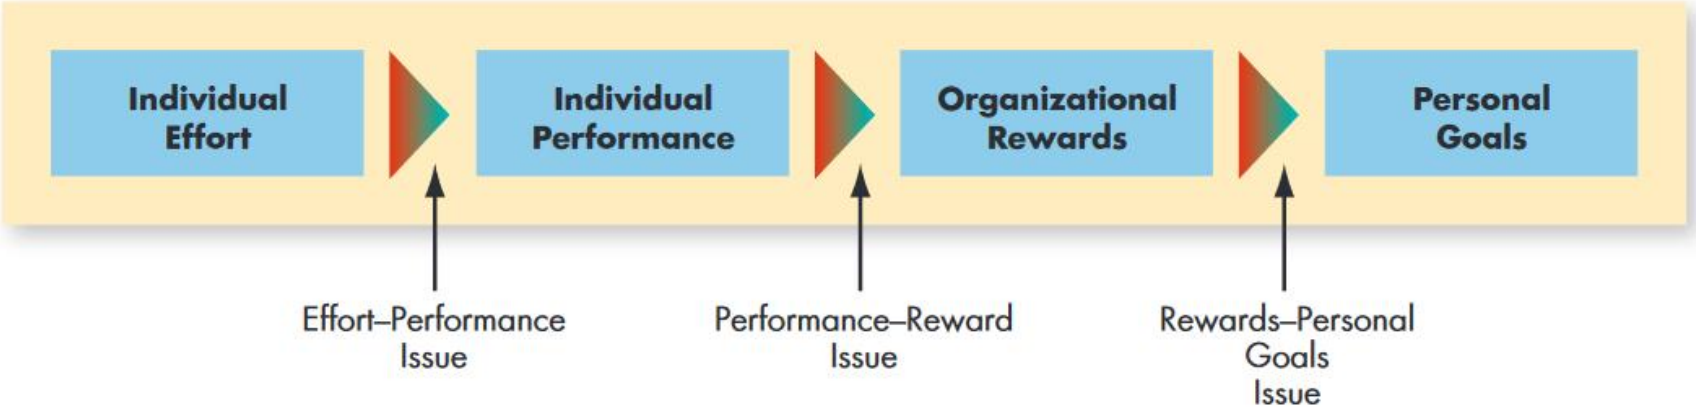

FIGURE 8.5 Expectancy Theory Model

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Contemporary Motivation Theory (2 of 2)

- **Equity Theory**
  - theory of motivation holding that people evaluate their treatment by the organization relative to the treatment of others

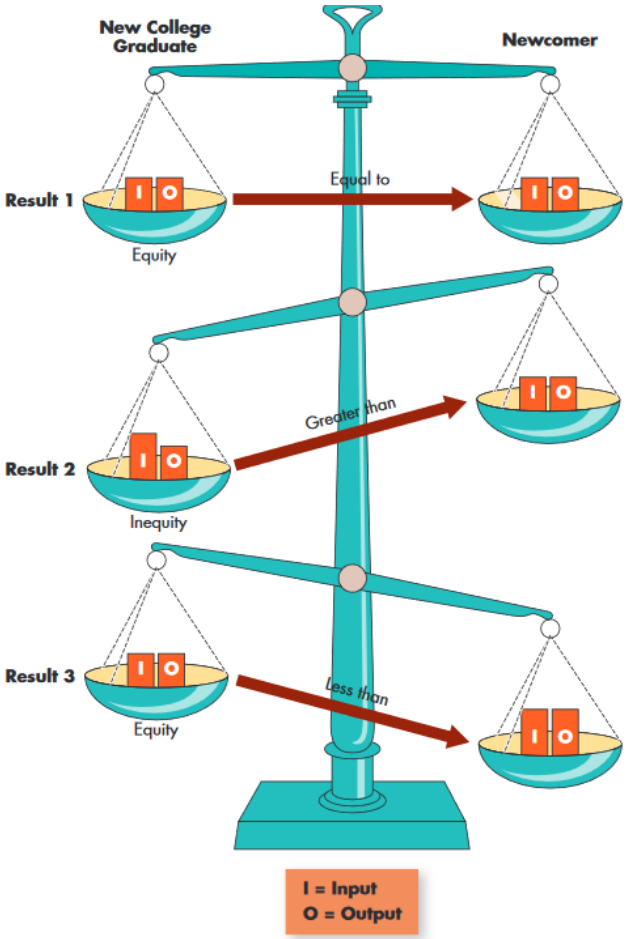

FIGURE 8.6 Equity Theory: Possible Assessments

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Reinforcement/Behavior Modification

Positive Reinforcement

– reward that follows desired behaviors

Punishment

– unpleasant consequences of an undesirable behavior

- **Social Learning**
  – learning that occurs when people observe the behaviors of others, recognize their consequences, and alter their own behavior as a result

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Using Goals to Motivate Behavior

Management by Objectives (MBO)

- set of procedures involving both managers and subordinates in setting goals and evaluating progress

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Participative Management and Empowerment

Participative Management and Empowerment

- method of increasing job satisfaction by giving employees a voice in the management of their jobs and the company

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Job Enrichment and Job Redesign

Job Enrichment

- method of increasing job satisfaction by adding one or more motivating factors to job activities

Job Redesign

- method of increasing job satisfaction by designing a more satisfactory fit between workers and their jobs

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Job Redesign Programs

Combining Tasks

- involves enlarging jobs and increasing their variety to make employees feel that their work is more meaningful

Forming Natural Work Groups

- helps employees see the importance of their jobs in the total structure of the firm

Establishing Client Relationships

- letting employees interact with customers

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Modified Work Schedules (1 of 2)

Work Sharing (Job Sharing)

- method of increasing job satisfaction by allowing two or more people to share a single full-time job

Flextime Programs

- method of increasing job satisfaction by allowing workers to adjust work schedules on a daily or weekly basis

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Modified Work Schedules (2 of 2)

Telecommuting

- form of flextime that allows people to perform some or all of a job away from standard office settings

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Advantages and Disadvantages of Modified Schedules and Alternative Workplaces

- **Advantages**
  - more satisfied, committed employees
  - reduced stress
  - improved productivity
  - less congestion
- **Disadvantages**
  - challenging to coordinate and manage
  - poor fit for some workers
  - lack of network and coworker contact
  - lack of management belief

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Applying What You've Learned (1 of 2)

8-1 **Identify** and discuss the basic forms of behaviors that employees exhibit in organizations.

8-2 **Describe** the nature and importance of individual differences among employees.

8-3 **Explain** the meaning and importance of psychological contracts and the person-job fit in the workplace.

Pearson

Copyright © 2022, 2019, 2016 Pearson Education, Inc.

Applying What You've Learned (2 of 2)

8-4 **Identify** and summarize the most important models and concepts of employee motivation.

8-5 **Describe** some of the strategies and techniques used by organizations to improve employee motivation.
